

# CORA BIKE RACK

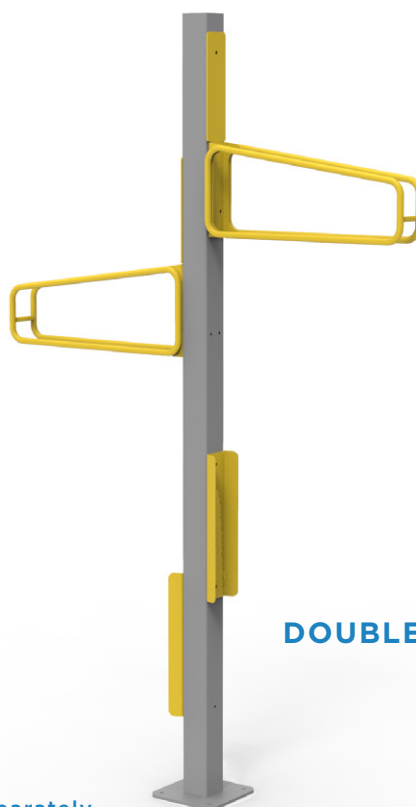

## PRODUCT SPECIFICATION SHEET

### E3VR-P

- The **E3VR-P** is a mounting post designed for all models in the E3VR Series range
- Ideal for bike rooms and EOT areas where walls are not always available for mounting
- Each post is pre-drilled on 2 sides to mount racks in offset and single height configurations
- E3VR-P posts include 2 x rear wheel trays to ensure bikes are parked in a stable position

**SINGLE SIDE USE**

**DOUBLE SIDE USE**

\*E3VR Series racks sold separately
