CORA BIKE RACK

PRODUCT SPECIFICATION SHEET

Note: If all racks are to be mounted at the same height, racks must be spaced at 700mm centres.

* Minimum ceiling height: Staggered - 2200
Single level - 1900

CVR LAYOUT GUIDE

To comply with AS2890.3 (2015), 500mm spacings are shown at alternating heights.

Spacings of 400-500mm are possible where compliance with AS2890.3 (2015) is not required.

For specific assembly and installation instructions relating to CVR Series racks, please refer to individual instruction information sheets.

Racks should not be installed, based on the information on this sheet alone.
